

Mechanical Inspector

Marshall Manufacturing is a leader in precision machining services for the medical device industry. Since 1951, Marshall has served as a manufacturer and consultant to Fortune 500 companies, with current efforts focused on the medical device industry. Our capabilities include Swiss Machining, Micro-Swiss Machining, Laser Tube Cutting, Wire EDM, and we specialize in 2D & 3D CNC Bending of small diameter tubes & wires.

We offer generous monthly profit sharing bonuses in addition to highly competitive wages!

Job Description: We are looking for full-time, career driven Mechanical Inspector. This position entails measuring and inspecting parts.

Pay Rate: \$21-\$27/hr

What your responsibilities will be:

- Read and Interpret customer drawings
- Follow quality control plans
- Measure parts to verify dimensions meet specifications
- Accurately document inspection results in proper format
- Follow good documentation practices
- Identify and report any process characteristics such as; scratches, burrs, cosmetic, or dimensional variation
- Proper use, maintenance, and storage of inspection equipment

The skills/qualifications we are looking for:

- Good Shop Math
- Proficient with mechanical inspection equipment (calipers, micrometers, height gages, pin gages, etc)
- Understanding of SPC (QC-CALC Software or Equivalent)
- First Article Inspection Reporting (FAIR)
- Final Inspection Certifications
- Understanding of machining and related manufacturing processes
- Program & Operate Vision Inspection Equipment (Micro-Vu or Equivalent)
- Familiar with Statistical Process Control (Minitab or Sigma Excel)
- Program & Operate CMM (PC-DMIS Software)
- Understanding of Quality Control Plans
- Practical Application of GD&T

- Familiar with ISO 13485 or ISO 9001 Quality Management Systems

The benefits you will receive as a Marshall employee:

- Competitive wages with lots of growth potential
- Generous monthly profit sharing bonuses AND annual bonuses based on meeting company's goals
- Largely subsidized Medical, Dental & Vision Insurance for individuals, couples & families
- Life Insurance
- Company matched 401(K)
- Tuition reimbursement
- Employee recognition program
- Paid vacation
- 9 paid holidays

What it's like to work here:

When asked what they like best about working at Marshall, they would say "It's the people". We have a low turnover rate! Our team members all share a positive attitude, friendliness, and a willingness to "pitch in" and help, all with the common goal of excellent customer service!

Education:

- Associates degree in Quality or 2 years of mechanical inspection experience preferred
